Map of California

SB 1440 and SB 440

- 1,816 ADTs approved through June 30, 2015.
- 603 of the approved ADTs are in disciplines where no AA/AS degree previously existed for the college.
- SB 1440 goal of 100% was achieved in December 2014.
- SB 440 goal is currently at 91%, with more than half of the CCCs at, or exceeding, their collage goal (final date August 31, 2015).

AB 2462 Military Credit

(2012, Block)

- By July 1, 2015, the Chancellor of the California Community Colleges (CCC), using common course descriptors and pertinent recommendations of the American Council on Education, shall determine for which courses credit should be awarded for prior military experience.

SB 1391 Inmate Education (2014, Hancock)

- Four districts selected for pilot sites:
 - Antelope Valley
 - Chaffey
 - Los Rios
 - Lassen
- One-time funding of \$400,000 per district.
- Develop and implement sustainable and scalable inmate education programs.
- Face-to-face instruction.
- Rigorous assessment and student services.
- BJ Snowden, Director

SB 850 Baccalaureate Degree (2014, Block)

- 120-days from start to naming 15 Pilot Colleges.
- The Academic Senate has established a taskforce on minimum qualifications, and upper division GE and courses.
- Held 1st Baccalaureate Degree Summit in June.
- Collaboration with Student Services, Instruction, Academic Senate for California Community Colleges (ASCCC).

California Community Colleges Baccalaureate Degree Pilot Program

Fifteen college districts were selected to pioneer the system's baccalaureate degree program. The districts are within reach of a vast segment of California's population, mirror its diverse makeup, and will offer cutting-edge academic programs in many fields.

MESA, MCHS, and Puente

- Governor Brown signed into budget language an additional \$2.4 Million for the Fund for Student Success (FSS).
- An increase for each program area of approx. 60%.
- Restoring Mathematics, Engineering and Science Achievement (MESA) program funding to 2008 levels.
- Middle College High School (MCHS) will be able to fund 7 additional programs.

Dual Enrollment

- AB 288 (2015, Holden) is currently going through the legislative process.
- Academic Affairs is forming an Advisory Committee for the “Toolkit” which will consist of members across the segments.

C-ID

- C-ID provides the foundation for the ADT's and will be integrated into the new ASSIST.
- Great collaboration with CSU and our faculty.
- You have completed over 15,000 CCC courses have received C-ID determinations.
- C-IDs will be developed for CTE and Basic Skills.
- Mt. San Antonio College received the C-ID grant in May and will work with the ASCCC.

Technical Assistance

- Numerous on-site college visits.
- Presentations made at various conferences, institutes, and workshops.
- Collaboration within the Chancellor's Office and with statewide leadership.
- Numerous statewide meetings.
- Conference calls, emails and phone coaching.
- Interpretation of legislation and regulations.

Program and Course Approval Handbook (PCAH)

- PCAH, 5th Edition is still in effect.
- A PCAH writing group was appointed by CIOs and the Academic Senate in January 2015; a draft was submitted to SACC in April.
- Although there is still much work to be completed, draft components will be presented at the institute.
- The regulatory process for agency guidelines includes a review by Legal Counsel.
- We are pleased to announce the Interim Legal Counsel, Thuy Nguyen, started July 1.

System Advisory Committee on Curriculum (SACC)

- Provides a collaborative forum for system level discussions on curriculum to inform related Chancellor's Office policies and practices.
- Currently working with the writing group and the Chancellor's Office on the PCAH.
- Discussion issues include noncredit, prerequisites, ESL coding, adult education, CDCP funding and course repetition.

Curriculum Inventory (CI)

- As of July 1, 2015, Curriculum Inventory contained **323,729** course proposals and **22,878** programs.
- On average, the Academic Affairs Division approves more than 14,000 proposals a year.
- Academic Affairs rarely denies but more than 4,000 revision requests were returned to the colleges this year for corrections.

Curriculum Inventory (CI) (cont.)

- Dramatic increase between 2012-2013.
- Revision of California Code of Regulations, title 5 and course repeatability.
- Associate Degree for Transfer (ADT)
- SB 1440 (2010) and SB 440 (2013)
- Stand-alone credit course approval (AB 1943) 2006, with a sunset (AB 1027, 2011)

Technology Center

Couch to Competitor: Getting In Shape with Curriculum Management

Pamela Walker, Vice Chancellor, Academic Affairs

David Shippen, Director Student Services CCCTC

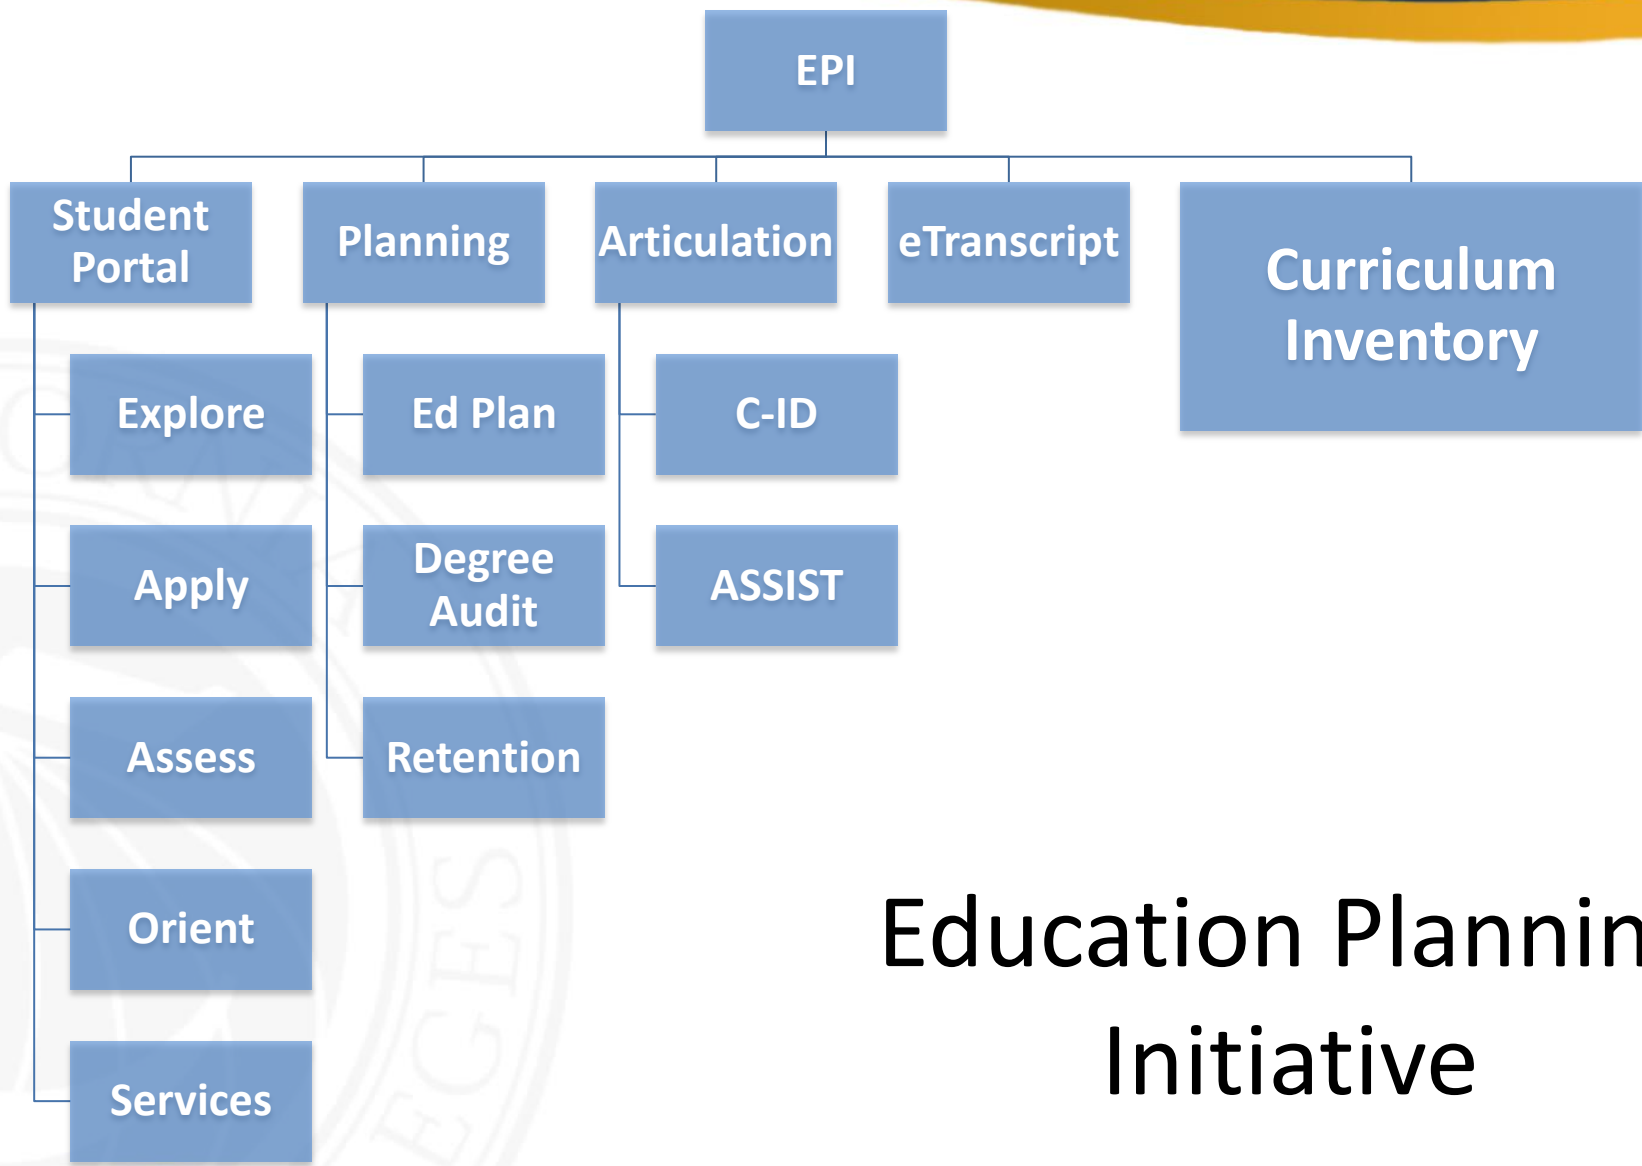

Curriculum Management - Components

- CO Curriculum management system:
 - Performance, data integrity, and workflow
- College-based curriculum systems:
 - Performance, data integrity, workflow, and implementation schedules

Education Planning Initiative

CO Curriculum Management

- Performance, data integrity, workflow
 - Dedicated resources
 - Business process
 - Prioritized tickets in Test
 - Project oversight
 - Protect, Stabilize, Automate

01	Validity Checking	▪ Intra
02	Data Integrity	▪ Clear
03	Notification to Colleges	▪ Real-
04	Dashboard	▪ Whe
05	Reporting	▪ Impr
06	No Double Entry	▪ Web
