***Legislation with implications for academic and professional matters  
Assembly Bills***

**AB204 (Medina) Community colleges: waiver of enrollment fees**

This bill would require the board of governors to, at least once every 3 years, review and approve any due process standards adopted to appeal the loss of a fee waiver under the provisions described above. If the board of governors adopt any due process standards to appeal the loss of a fee waiver under those provisions, the bill would require those standards to also require a community college district to **Office of the Chancellor of the California Community Colleges to review, for general consistency, each community college district's due process procedures, including any subsequent modifications of the procedures, adopted to appeal the loss of a fee waiver under these provisions, and comment on the procedures, as appropriate. The bill would require that the district's procedures allow for an appeal due to hardship based on geographic distance from an alternative community college at which the student would be eligible for a fee waiver. The bill would require each community college district to, at least once every 3 years, examine the impact of the specified minimum academic and progress standards and determine whether those standards have had a disproportionate impact on a specific class of students, and if a disproportionate effect is found, the bill would require the community college district to include steps to address that impact in a student equity plan. Amended in the Assembly 3/17/17 Nonsubstantive amendment in Senate, 6/28/17.**

**Status:** Referred to Appropriations Suspense, Held by Appropriations 9/1/17

**ASCCC Position/Resolutions:** The ASCCC Executive Committee voted at it's February meeting to support this legislation. The legislation is sponsored by FACCC. The ASCCC approved resolution SP17 6.01 to support.

**AB 227 (Mayes) CalWORKs: Education Incentives**

AB 227 provides a supplemental education incentive grant when a CalWORKs recipient reaches an educational milestone, as outlined below:

- ☐ High school diploma or equivalent: \$100/month
- ☐ Associate's degree or career/technical education program: \$200/month
- ☐ Bachelor's degree: \$300/month

This bill would also authorize CalWORKs recipients eligibility to apply for educational stipends totaling no more than \$2400 per year for enrollment in an associate's degree, CTE certificate, or bachelor's degree program. The bill appropriates \$20 million to partially restore funding to the California Community Colleges CalWORKs program, which provides work-study slots, education and career counseling, and other services to CalWORKs recipients. Amended 4/27/17

**Status:** Passed Assembly, Referred to Senate Committee on Human Services, 6/14/17.

**ASCCC Position/Resolutions:** This bill is consistent with past ASCCC positions that the full cost of higher education is not reflective of the student aid awarded. This bill seeks to address that disparity for CalWORKs students.

**AB310 (Medina) Part-time Faculty Office Hours**

Requires each community college district to report total part-time hours paid divided by the total part-time faculty office hours taught during the prior fiscal year and posted each year on the district website. **Re-introduced 1/18/18**

Amended 4/3/17**

**Status:** Passed Assembly, pulled by the author. This has become a two-year bill. 6/07/17

**ASCCC Position/Resolutions:** Currently local academic senates are required to comply with the Brown Act that demands published agendas and membership. We have significant concerns regarding the limited demographic profile specified and the ability to target individual members – especially for smaller senates. IF the goal is to improve the diversity of our faculty, we would welcome the opportunity to work with the author toward that end. The ASCCC adopted resolution SP17 6.03 in opposition to this bill. The status of this bill is in question with the resignation of the author.

**\*AB 1037 (Limon) Public Postsecondary Education: Student Financial Aid.** AB 1037 establishes the Cal Grant B Service Incentive Grant Program, under the administration of the California Student Aid Commission. The program is a state work-study program available to California’s AB 540 students who are ineligible for Federal Work Study (FWS) programs, and supported through the State General Fund resources. In order to be eligible for the grant, a student must be a recipient of a Cal Grant B award, enrolled at a UC, CSU, community college, or private, non-profit campus, and perform a minimum of 300 hours of community service or volunteer work in each academic year. Recent amendments to the bill limit the number of eligible students simultaneously receiving grants under the program to 2,500 awards per term.

**Status:** Passed in the Assembly Committee on Higher Education (9-3) and sent to the Assembly Appropriations Committee. **Passed Assembly 1/29/18. Referred to Senate Rules Committee for assignment 1/29/18.**

This bill would require any public or private institution that offers a bachelor's degree program to provide career placement and job search services for five years to students in order to receive state funds for student financial assistance. Because services should be offered at no cost to the student, this would be an additional cost to colleges that offer baccalaureate degrees.

**Status:** Introduced. Referred to Committee on Higher Education 1/22/18.

**ASCCC Position/Resolutions:** None.

**\*AB 1805 (Irwin) Community College Placement Policies**

**Status:** Introduced. Referred to Committee on Higher Education 1/22/18.

**ASCCC Position/Resolutions:** Access to financial aid is supported by numerous ASCCC resolutions in the past.

**\*AB 1935 (Irwin) Community Colleges: Tutoring.** Existing law identifies nine allowable areas for noncredit instruction. AB 1935 adds supervised tutoring for degree-applicable and transfer-level courses as a noncredit category. Noncredit supervised tutoring would be eligible for state apportionment funding. This bill may be merged with SB 1009 (Wilk), which is similar.

**Status:** Introduced. Referred to Committee on Higher Education 2/5/18.

**ASCCC Positions/Resolutions:** The ASCCC supports allowing noncredit apportionment to be collected for supervised tutoring, regardless of student skill level (Resolution 18.02 F12).

**Status:** Introduced. **Referred to Committee on Higher Education 2/5/18.**

**\*AB 2027 (Fong) Career Technical Education.** This is a spot bill related to career and technical education.

**Status:** Read first time 2/5/18.

**ASCCC Positions/Resolutions:** Watch.

**AB 2081 (Melendez) Postsecondary Education: Campus Free Speech Act** This bill would establish the Campus Free Speech Act, which would require the governing board or body of each higher education institution to develop and adopt a policy on free expression that contains specified components. The would policy supersede any provisions in the policies and regulations of the institution that restrict speech on campus and are inconsistent with the policy. The establishment of a Committee on Free Expression would be required, and noncompliance would result in the loss of public funds except Cal Grant. The focus of this bill is the protection of student speech. This appears to replace ACA 14 (Melendez, 2017) which sought to amend the California Constitution.

**Status:** Introduced.

**ASCCC Positions/Resolutions:** Watch. The ASCCC generally supports freedom of speech. However, it is not clear what effect this bill would have on the classroom environment.
