

**ASCCC Womyn's Leadership
Faculty Development Committee
Proposed Action Plan**

Description

We live in unprecedented times. Womyn across the country are using the power of their voice and vote to influence position themselves and create change. In California, the ASCCC is committed to elevating faculty who are womyn in our California Community College system. The Womyn's Leadership Action Plan is designed to support womyn in community colleges with experiences to think, grow, learn and connect in ways to help them advance their influence, their wisdom and transformative impact. The plan includes events and experiences for womyn in community colleges to grow their leadership and influence.
